COOKING ROULETTE

Once the utensils and ingredients are selected, and before the cooking begins, the host asks each contestant if they would like to use one of these 3 options.

1. Negotiate and trade several utensils/ingredients with the contestant on the left
2. Make one telephone call for help to a friend or family member
3. Ask for a right rotation of everyone

Each contestant can use 3 jokers during the season.

The contestants then have 45 minutes to cook and prepare a dish with open eyes. When the time is up, the central round shelf goes down and the 3 chef jury is revealed. The dishes are placed on the conveyor belt and rotated 3 times, so the jury does not know which dish belongs to which candidate. The jury marks each dish from 1 to 12 according to their tastes. At the end of the 12th episode all the points are added up and the contestant with the most points wins the competition.
