# HOME QUIZ

Home Quiz is an entertaining game show where both celebrities and ordinary people take part from the safety of their homes. It is a perfect way to impose the “stay at home” message to people while entertaining and motivating at the same time. Each episode has 2 self-contained sections following the same structure: 1st section is played by ordinary people and 2nd section is the celebrities’ turn, playing the same game. The famous host and 3 contestants are all at their own places, attending the program over a video conference application. There are 10 questions in total and the prize amount gradually increases at each question. Once all 10 questions are completed in the same flow, whoever has the most amount in his/her bank wins the contest, and takes the amount banked as prize. In the 2nd section, the flow is the same with an exception on the prize: this time with celebrity contestants will complete. The celebrity who wins the game donates their banked amount to a foundation battling with COVID-19.
