Genre:
Game Show

Duration:
Weekly Prime Time

IN AND OUT

You may increase or divide your money or you can bankrupt, at any moment!

In and Out begins, the show where the excitement never ends!

The rules are simple. The contestant is given a choice of 14 selections, including prizes and a penalty tree.

LET THE MONEY TREE IN...

The contestant starts the game with 5000 liras in his bank. The 14 bags include money prizes, boosters, dividers and one of them has the bankruptcy hidden inside.

The contestant opens each bag as “In” and “Out”. Each selection of bag he chooses is added to his bank.

The bag he chooses to leave out is sent away.

The goal of the contestant is to include the big cash prizes and boosters and exclude the dividers and the bankruptcy.

The game ends as the contestant selects the bankruptcy bag – he will have to leave the game without any prize.

There is no quitting. The contestant wins the prize equivalent to the sum after the last bag is opened.

In and Out... The easiest and most fun game to earn money!
