WHEN A MAN LOVES

The enthralling love story of the passionate and beautiful Zeynep and Kenan, a charismatic and successful businessman, is captured in “When a Man Loves”. Their romantic tale is complicated by the reappearance of her cheating ex-husband as well as a powerful rival for Kenan’s affections. As a web of deception is woven around them, a happy ending is far from guaranteed.

Zeynep’s family happiness is shattered when her husband Oktay cheats on her and leaves her for another woman. Still in her early thirties, she is now divorced and forced to stand on her own two feet. She raises her two sons, Kagan and Arda, alone with little support from their father. She also toils as an assistant in one of the country’s leading women’s clothing companies.

Zeynep has lost all faith in men and love, but her world is turned upside down when she meets Kenan. He is 35 years old, tall, athletic and handsome. He is not just ambitious, hardworking and intelligent, but also honest and responsible. It is like a dream come true.

Kenan single-handedly sets up a shopping website and develops it to become a leading e-commerce site. But while his company thrives, his private life has until now been a disaster. Though his charm attracts many women, he is suspicious of their intentions and has never opened his heart. That changes when he meets Zeynep.

Their path to love is thorny and tangled. Zeynep’s self-sacrificing, sensitive and kind character left her at the mercy of Oktay, and he continues to haunt her. Having contributed little during their marriage, he is now making a fortune and has a young lover, but does little to contribute to his sons’ upbringing.

There is a further obstacle in the formidable shape of Yelda, the difficult owner of the women’s clothing company where Zeynep works. With her dedication, Zeynep is able to cope with Yelda’s endless demands and whims, while everybody else in the company fears her. However, she is about to make Zeynep’s life even tougher.

WHEN A MAN LOVES

Yelda is fiercely ambitious and intelligent and is used to getting what she wants. With her well-groomed looks, the 38-year-old lets people believe she is only 32. Having succeeded in doing business with Kenan, she now aims to make him her lover, even if it means lying or deceiving.

But the biggest threat to Zeynep and Kenan's happiness may just be her ex-husband. While Oktay is now in a relationship with a woman he works with, his attitude changes when he learns about Zeynep's new relationship. Raging with jealousy, he cannot accept this situation. He will do anything to win her back, even if it means lying, plotting and using their children.
